FEATURES

ARCHITECTURAL APPEAL

- Grosvenor and Cressey, two trusted names in the design and development of exceptional communities, have come together to create Avenue.
- Designed by internationally acclaimed James KM Cheng Architects + IBI Group, Avenue consists of two landmark towers located steps from Calgary's Bow River and Downtown.
- Avenue's design impresses with extensive use of high quality materials and thoughtful floorplans made for functional living.
- Arrive at the building's porte cochere and make your entrance into Avenue's grand, hotel-inspired lobby. Its dramatic, elegant finishes include high ceilings, porcelain flooring and exceptional lighting.
- Enjoy the convenience and cachet of having a concierge greet you as you arrive home.

MODERN INTERIORS

- Experience functional, sophisticated and innovative interiors by Trepp Design, featuring the CresseyKitchen™.
- Step into your home over a honed marble threshold and through a contemporary solid walnut entry door and interior doors with polished chrome lever.
- Two natural and classic colour palettes in Ash or Walnut
- Designed to be elegant from the ground up, Avenue homes feature engineered hardwood wide-plank flooring in Ash or Walnut throughout the main living areas.
- Walk in comfort and style on pure wool-blended broadloom carpeting in all bedrooms, with 5 1/4" baseboards throughout.
- Over-height*, smooth-finish ceilings create a modern, airy feel.
- Maximize views and light with expansive low-E windows.
- Ensure your privacy with sleek rollerblinds on all windows.
